Gulshan e Tayyabi

## SUMMARY

Passionate Full Stack Developer specializing in the MERN stack (MongoDB, Express, React, Node.js). Experienced in building scalable and dynamic web applications that deliver exceptional user experiences. Strong problem-solver with a commitment to continuous learning and staying ahead of industry trends. Eager to contribute to innovative projects and collaborate with cross-functional teams to achieve outstanding results.

## EXPERIENCE

### Mern Stack Developor

#### Open voice Hub

02/2024 05/2024 Remote

- Developed and maintained scalable web applications using the MERN stack, enhancing user engagement and functionality.
- Collaborated with cross-functional teams to design and implement new features, improving overall application performance.
- Optimized application architecture for speed and efficiency, resulting in a 100% improvement in load times.
- Conducted code reviews and contributed to team knowledge-sharing sessions, fostering a culture of continuous improvement.

### Full Stack Developer

#### Tech Glance

03/2024 08/2024 Remote UAE

- Developed high-performance web applications using Next.js, improving server-side rendering and SEO capabilities.
- Integrated RESTful APIs and optimized data fetching strategies to enhance application speed and user experience.
- Collaborated with designers to create responsive and user-friendly interfaces, ensuring consistent branding across platforms.
- Contributed to codebase maintenance and improvement, reducing technical debt and increasing overall code quality.

### Software Development Teaching

#### Aptech Learning

08/2024 Present Gulistan e Johar

- Instructed students in web development technologies including ASP.NET, PHP, and Python, fostering practical skills for real-world applications.
- Developed comprehensive course materials and hands-on projects to enhance learning outcomes and student engagement.
- Mentored students in coding best practices and problem-solving techniques, promoting a collaborative learning environment.
- Evaluated student performance and provided constructive feedback to support their growth and understanding of complex concepts.

## EDUCATION

### Matric Of Computer

#### Jammia Millia Pilot School

01/2019 02/2023

### Intermediate In Computer science

#### Jammia Millia Degree Collage

Present

### Web Development

#### Saylani Mass It Training

2022 2023

### Certified Cloud Applied Generative AI and Metaverse 3.0

#### Govarnar House

02/2024 Present
